Technology,
and Talent
Intersect**

What We Do

Strategy Services

Our tech assessments map the path to your future growth, security needs, cloud strategies, and more to find the tools and personnel you'll need for your journey.

Technology Services

From system virtualization to data management and beyond, our pros are well-versed in cutting-edge technology that will keep you ahead of the game

Talent Services

No matter the size or scope of your project, we secure talent to optimize your architecture and ensure quality results in the role technology plays in your process.

Trust is only gained over time through competence, doing what you say you are going to do, and having an enjoyable experience working together. Companies have trusted TM Floyd & Company for many years to meet their IT consulting and staffing needs. We look forward to an opportunity to earn your trust."

JOHN STARMACK, CEO
TM Floyd & Company

Who We Are

When technology is the heart of your business, you want the most talented experts to keep it healthy. As one of the nation's leading IT staffing, consulting, and contracting firms, TM Floyd finds the specialists you need to diagnose and treat your IT infrastructure, chart a path to future improvements, and hit professional benchmarks. When you want to augment your existing IT staff, we have the people for you.

Industries We Serve

- Healthcare
- Government
- Insurance
- Manufacturing
- Utilities
- Information Technology
- Financial Services
- Universities and Education

Our Mission

TM Floyd & Company consults closely with clients to learn exactly who they're looking for now and for a long-term commitment, a little like matchmaking. Using that information, we pair clients with the IT specialists who possess the right set of skills and experience to meet each client's needs. You'll love the difference we make to your workforce.

“

I have used many IT consulting firms during my career but found TM Floyd a step above the others from a healthcare business experience perspective, quality, and reliability of their work, and cost.”

—BILL, FORMER CIO AND CTO

**We pride ourselves
on employee and
client longevity,
many of which have
been with us for
more than 20 years.**
